

# PERSONAL INVENTORY

**Instructions:** Answer each question honestly. Do not be discouraged with where you are at, but rather see this Inventory as a tool to help you discover the next step in your disciple-making journey. A point value of 1, 2 or 3 will be given to each response. A score between 0-19 indicates that you should still put primary focus on that Chair. A score of 20-21 indicates that you can put primary focus on the next Chair while remaining strong in all previous Chairs in your disciple-making journey.
